• EVERYDAY •

Hello and welcome to the sunny world of Rock Scissor Paper! We firmly believe that ice cream is the best medicine, John Philip Sousa marches sound best when whistled and that good things grow from happy hearts.

All of our products are designed and produced in our Los Angeles studio. We see each new card, calendar, journal and jotter we design as an opportunity to inject a healthy dose of happy into our lives....and hopefully yours too!

happily,

Heidi + Susie Bauer
